

Satish Kumar Gupta

Software Engineer

Pune, Maharastra, India

+91-9695007949 satishgupta7949@gmail.com LinkedIn Portfolio Github

Summary

Software Developer with experience in full-stack and frontend development, working with React.js, Next.js, TypeScript, Java, Spring Boot, REST APIs, PostgreSQL, and MySQL. Experienced in developing web applications, integrating APIs, implementing authentication, and working with production-oriented application workflows. Currently contributing to software development projects involving HRMS/payroll systems and application testing

Skills

Languages: Java, TypeScript, HTML, CSS
Frontend: React.js, Next.js, Tailwind CSS, React Native
Backend: Spring Boot, Spring MVC, REST APIs, JDBC, Django REST API
Database: MySQL, PostgreSQL
Tools & Technologies: Git, GitHub, Docker, Postman, Maven, Jira, Expo
Concepts: OOPS, Data Structures, Design Patterns, REST Architecture

Software Developer — Quantumhues Tech | June 2026 – Present

- Contributing to ongoing software development projects and application development activities
- Working on frontend and full-stack development using modern web technologies
- Participating in development, debugging, testing, and application improvement workflows

Projects

HRMS / Payroll Management System

Next.js, React, TypeScript, Tailwind CSS, Django REST API, PostgreSQL, Docker

- Contributing to the ongoing development of an HRMS/payroll management application
- Working on frontend modules and integrating application workflows with backend APIs
- Working with Dockerized backend and PostgreSQL-based application environments

JobsMato

Next.js, React, TypeScript

- Contributing to application testing and quality validation
- Testing application workflows and identifying functional issues across the platform

InternFlow – Skill Assessment & Internship Platform

Java, Spring Boot, React.js, MySQL, JWT, REST API April 2026 – June2026

- Developed a full-stack internship and skill assessment platform using Spring Boot and React.js with JWT authentication, role-based dashboards, internship application system, resume upload, and company management features.

Certifications

- Oracle Cloud Infrastructure Foundations Associate
- Java Certification from CodeChef
- MySQL Certification from Lumenore (Netlink)

Education

B.Tech in Computer Science & Engineering
Technocrats Institute of Technology (Excellence), Bhopal
Higher Secondary (XII)
C R T S V M I C S K Siswa Bazar Maharajganj (UP BOARD)
Secondary (X)
Swami Vivekanand U M V Nebuwaraiganj (UP BOARD)

Graduated: 2024
CGPA: 8.63/10
Passed:2020
Percentage: 70.2/100
Passed:2018
Percentage: 82.66/100
