Summary

A highly motivated and dedicated computer science student looking for a challenging position to utilize my software skills for the growth of the organization.

Skills

Languages: Java Backend: SpringBoot, SpringMVC, JDBC, RESTAPIs, Microservices

Frontend: HTML, CSS, JavaScript

Database: MySQL, PostgreSQL

Tools: Git, Bitbucket, Maven, Postman, Jira

Cloud: AWS, (RDS)

Concepts: OOPS, Data Structures, Design Patterns

Experience

Java Developer Trainee HulkHire Tech, Hyderabad | Feb 2026 – April 2026

- Developed and integrated Stripe REST APIs within a microservices architecture.
- Implemented HmacSHA256 authentication and Basic Auth for enhanced payment security.
- Designed validation framework and business rules for transaction processing.
- Integrated Redis caching to improve system performance and response time.
- Worked with AWS RDS (MySQL) for scalable database management.
- Utilized Spring Security for authentication and authorization.
- Followed RESTful standards and applied design patterns for clean architecture.

Projects

InternFlow – Skill Assessment & Internship Platform | Java, Spring Boot, React.js, MySQL, JWT, REST API April 2026 - Present

Developed a full-stack internship and skill assessment platform using Spring Boot and React.js with JWT authentication, role-based dashboards, internship application system, resume upload, and company management features.

Course Enrollment System | Spring Boot, PostgreSQL, JPA, Hibernate Jan 2025 – August 2025

Built a Course Enrollment System with student, instructor, and enrollment management using Spring Boot, Hibernate, and PostgreSQL.

Spending Tracker | Java, JDBC, MySQL, HTML/CSS Dec 2023 - Mar 2024

Designed a Spending Tracker application to manage daily expenses with transaction tracking and database integration using JDBC and MySQL.

Certifications

- Oracle Cloud Infrastructure Foundations Associate
- Java Certification from CodeChef
- MySQL Certification from Lumenore (Netlink)

Education

B.Tech in Computer Science & Engineering

Technocrats Institute of Technology (Excellence), Bhopal

Graduated: 2024

CGPA: 8.63/10

Higher Secondary (XII)

C R T S V M I C S K Siswa Bazar Maharajganj (UP BOARD)

Passed:2020

Percentage: 70.2/100

Secondary (X)

Swami Vivekanand U M V Nebuwaraiganj (UP BOARD)

Passed:2018

Percentage: 82.66/100
